Thank you for your interest in Tri-Cities Christian Schools. From the Junior Eaglets (K4) through grade twelve, children will spend more time in school than in any other activity except sleeping. The amount of time spent in school, the influence of teachers and peers, and the need to prepare for the opportunities and challenges of the twenty-first century make the selection of a school the most important decision and investment you will make.

The mission of TCCS is *to provide the family with a Christ-centered, Biblically directed education that instills the vision and practice of excellence in academics, character, co-curricular activities, and service to others.* To prepare students to serve Christ faithfully and effectively, Tri-Cities Christian Schools provide students a comprehensive educational program of uncompromising quality within a stimulating and nurturing environment. TCCS provides students with a college preparatory education that develops the mind, nurtures the soul, and shapes the character ... for today and for the future. Helping students develop a Christian mind is central to the mission of TCCS. Simply put, this means that the teachers train students to integrate their Christian faith with their education. They are taught to understand, analyze, and interpret every subject from a biblical perspective. The faculty and staff seek to cultivate the character of students by helping them develop Godly character, discerning minds, and sensitive hearts.

TCCS invites you to take a few minutes to review the content of the website which provides you with everything needed to enroll your child(ren). Please contact the principals, Melody Archer (Junior Eaglet – grade 6) or Karin Kain (grades 7-12) to arrange a tour of the facilities and to answer any further questions.

Thank you for prayerfully considering Tri-Cities Christian Schools. TCCS values the opportunity to be a part of your child's educational experience.

In Christ,

Melody Archer
